**STROWOLD MARSHAL COUNT** — This bull would not be sold except that our herd is not large enough for two bulls and we are saving 15 daughters. He has just turned four and has his whole life ahead of him. We purchased him at 9 months of age from Strowold Farms for \$1000. They thought he was the best calf they had bred up to that time. Strowold Marshal Count sired the grand champion bull at the 1954 fall Pike County Show and Sale. Strowold will show a two-year-old full brother this fall and are planning to retain him as a junior herd sire. Tarbet Field Marshal was the reserve champion of the International Congress Sale. This bull is a middle of the road type, a sure breeder, gentle, has a good head, is short legged and heavy boned.

# PIKE COUNTY SHORTHORN BREEDERS ASS'N SHOW & SALE

## **THE FRY AND LANDERS HERD WILL BE COMPLETELY DISPERSED THROUGH THIS SALE ... 25 LOTS**

Judge J. Overton Fry is one of the good breeders in Pike County and is a regular consignor to this sale. He owns several farms and maintains Shorthorn herds on two of them in partnership with the farm operator. These farms are about fifteen miles apart and the herds are operated separately and are under separate ownership.

It has become necessary to disperse the herd of Fry and Landers. The herd of Fry and Brown will continue ... as a matter of fact, Fry and Brown are among the other consignors to this sale.

The Fry and Landers complete dispersal affords buyers a rare opportunity to buy working females that would not be sold under any other circumstances. There are a large number of good producing cows with calves at foot ... eighteen of them, twelve with calves at foot at this writing, and the rest to calve by sale day or soon thereafter.

Several years ago Fry purchased the entire well known Will-O-Pat herd and divided it between the two farms. Most of the cattle in this dispersal are from Will-O-Pat foundation. You will notice daughters of such famous bulls as Millhills Senator, Cruggleton Aspiration, Beaufort Command, etc.

At the time of the purchase the principal herd sire at Will-O-Pat was Prince Marine of W O P, an outstanding son of the \$5000 Prince Peter. To follow on his daughters, Marmac Perfect Mercury was selected. He was a son of Cruggleton Peerless by Cruggleton Perfect and was out of a Calrossie Mercury dam.

At the 1950 Kentucky sale Fry purchased from Luther Rice the outstanding reserve champion, Ironsides Stamp, bred at Maxwalton, sired by Klaymor Ironsides and out of a Creiffvechter Beacon dam. They paid \$1450 for him.

At the 1952 International, Creiffvechter Harvest was purchased for \$1100. He is a son of the Perth first prize winner Creiffvechter Fortune and is out of the same dam as Maxwalton's famous \$6000 Creiffvechter Beacon.

Since the plan was to trade herd bulls between the two herds this year and mate the daughters of one to the other, Creiffvechter Harvest will be sold in this dispersion.

**CREIFFVECHTER HARVEST.** This excellent sire will be sold in this sale as Lot 35.

CREIFFVECHTER HARVEST - Crieffvechter Fortune was a Perth first prize winner and his half brother a Perth champion. Crieffvechter Harvest is out of the same dam as Crieffvechter Beacon, that sold in the Maxwellton dispersion for \$6000. "Harvest" stood second in class to the senior champion at the 1952 Ohio State Fair. We purchased him at the 1952 International Sale for \$1100. He has proved to be an outstanding breeding bull. He has been in service in the Fry and Brown herd where many daughters have been saved. Our program called for this year to switch him to the Fry and Landers herd. This is the only reason he is being sold in this dispersion.

**MILLHILLS SENATOR.** *The famous bull that made such a grand record in the Merryvale herd. Lot 36 is a daughter.*

MARMAC ROSEWOOD — The first daughter of Leveldale Capstone, the bull we purchased in the 1953 Mathers Sale for \$3100. He is a son of Corrimony Golden Sovereign. About a dozen "Golden Sovereign" bulls and heifers have been sold in the Mathers and Gard-house sales and these have averaged well over \$3000. We are proud to show these heifers as an example of the outstanding calves now being developed at Marmac by Leveldale Capstone.

# PIKE COUNTY SHORTHORN BREEDERS ASS'N SHOW & SALE

## STANDARD GUARANTEE ENDORSED BY AMERICAN SHORTHORN BREEDERS' ASSOCIATION

### *Terms, Conditions, Guarantee*

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, are safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made, as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
